Inventory Forecasting

1. What are the main core items you stock?

2. How much can you distribute and how often?

3. What items outside of NIFB do you stock and how much do you pay currently for the Non-NIFB Items you purchase?(pound or Cases)

4. Would you take more product if it were to be available to you?

5. What kind of Vehicle does your agency have?

6. What is the best time for you to receive a Delivery?

Agency:		Name:
